NALI News for August 2010

National Association of Legal Investigators

August 5, 2010

Midwinter Conference Update

The NALI MidWinter Conference is scheduled for February 3-5, 2011 in beautiful Miami, Florida. We are currently working on securing the conference hotel, speakers, and other events. We are trying to secure a venue within the fabulous Miami Beach area. We'll keep you posted.

This conference will mark the second annual NALI Legacy Awards. This year's class of members celebrating 25 years with NALI is impressive. Once again we will be honoring these dedicated members with a tribute video at the Saturday night banquet.

Registration details will be forthcoming, but please mark your calendars now. We hope to see all of you next year.

The Legal Investigator (TLI) Update

The first issue of the new TLI will be delivered in early October. The New Media Committee has been hard at work developing the layout, content, and overall theme of the magazine. Several NALI members have stepped up as content providers, columnists, and advertisers. The magazine will be delivered to all current members and will also be available online.

We want to thank Rich Robertson and Ernie Barth, CLI for working with National Director Paul Jaeb at creating the magazine layout. Special thanks also to Bill Vincent and Diane Cowan, CLI for their guidance, and to Nicole Bocra and Dean Beers, CLI for their commitment to provide regular content.

Certified Legal Investigator Update

David Luther, CLI, Chairman of the CLI Committee, wants to remind Certified Legal Investigators that Reports of Compliance are an important part of keeping your CLI certification current. If you have any questions please contact Diane Cowan, CLI, Chair of the Continuing Education Committee.

The following CLIs have graciously accepted appointment as members of the 2010-2011 CLI Committee:

David Luther, (Chair) Region 4

Diane Cowan , CLI CEC Chairperson (Vice-Chair of CLI Committee)

Don Johnson, CLI - Region 2

Rory McMahon, CLI - Region 3

John Schatzman, CLI - Region 5

Dean Beers, CLI - Region 6

Earnest Barth , CLI - Region 7

This composition gives the committee a representative from each region and a strong group of experienced members to act as Proctors. Diane Cowan will serve as a non-voting member of the committee.

Please contact David Luther if you are interested in taking the CLI exam at the MidWinter Conference. This is a good time to make your decision since the testing is six months away.
